

Camp "I Am Me" license plates are available for \$40.00 per set (\$26.50 can be considered a donation), and can be displayed from April 25 through June 23, 2012 (the last day of "Camp I Am Me" 2012).

The numbers are limited up to 200. Complete the order form at the bottom of this page; send it with a check for \$40.00 and a copy of your current vehicle registration card. **The state will be mailing the license plates directly to you from Springfield. Because the state will be mailing the plates directly anyone who sends in a vehicle registration that is not valid through June 23, 2012 will not receive their plates.**

To reserve the number that you had last year, please send in the completed application by March 31, 2012. Applications will be accepted through the month of April. Contact Maria Piszczor at 847-669-5066 if you have any questions.

Please return the completed form with a valid copy of your license plate registration and check made payable to the Illinois Fire Safety Alliance to:
